Parents' Questionnaire for Check-up U11

(Page 1)

Dear parents

Please tick if the problems mentioned have occurred in your child within the last 6 months. In case your child takes medication, which influences its behaviour, please answer the question according to its behaviour without medication.

Name of child: _____ Date: _____

		Yes	No
1	My child suffers from migraines.	<input type="radio"/>	<input type="radio"/>
2	My child has had to go to the doctor because of a headache.	<input type="radio"/>	<input type="radio"/>
3	My child suffers from asthma or chronic bronchitis.	<input type="radio"/>	<input type="radio"/>
4	My child wants to see the doctor for anything and everything.	<input type="radio"/>	<input type="radio"/>
5	My child sometimes has a nervous tic (i.e. squinting, winking, clearing the throat).	<input type="radio"/>	<input type="radio"/>
6	My child refuses to stay with friends or relatives even during daytime.	<input type="radio"/>	<input type="radio"/>
7	My child sleeps in our bed at night although I disapprove.	<input type="radio"/>	<input type="radio"/>
8	My child has problems falling asleep (lies awake for more than one hour).	<input type="radio"/>	<input type="radio"/>
9	My child often wakes up at night and has problems falling asleep again (lies awake for at least one hour).	<input type="radio"/>	<input type="radio"/>
